

Visitor Program between CTC Member Clubs

Recommendations for CTC Member Clubs

Ordinary members of any Tennis Club belonging to the Centenary Tennis Clubs Association ("CTC") may have the possibility to visit any other CTC Tennis Club located anywhere in the world, by taking advantage of the unique CTC Visitor Program, subject to the following reciprocal terms and conditions:

1. Letter of introduction from the Home Club

- The request must be issued by the **home club** (not directly by the member).
- It must be written on the **official letterhead of the home tennis club**, and signed by the General Manager or an authorized representative.
- The letter must include the name of the visiting member, the proposed visit dates, and the name of the host club.
- The letter must be sent **directly to the host club the member wishes to visit**.
- Contact information for all CTC member clubs can be found at:

2. Advance submission

- The letter must be submitted at least **seven (7) days prior** to the desired visit date.
- Each host club will assess the request and decide whether it can accept the visit, based on capacity and internal policy.

3. Host Club confirmation

- If the request is approved, the host club will issue either a **written confirmation** or a **guest card**.
- The visiting member will be granted **all privileges of an ordinary member** of the host club.
This may include, for example: access to the restaurant, clubhouse, fitness facilities, or tennis courts.
- **Fees may apply**, especially if such services are also charged to regular members.
